PRELIMINARY AMENDMENT

Sir:

In response to Notice to File Missing Parts - Filing Date Granted, please
amend the above-captioned application as follows and consider the following remarks.

IN THE SPECIFICATION:

Please replace the originally filed Abstract of the Disclosure at pages 66 and
67 of the specification with the following:

--A luminescence device that has an organic compound layer disposed
between a pair of electrodes. This organic compound layer contains a metal coordination
compound represented by the following formula (I):
